

PUBLIC HEARING WAIVER FOR MINOR DEVELOPMENT

Date: January 4, 2022

Case No: CDP 2022-10991

Project Location: 31561 Table Rock, Unit 208

Applicant: Mike Domingo

Property Owner: Jennifer Kim

Project Description: Install an air conditioning unit in the existing crawlspace and provide proper venting for crawlspace.

Appealable to the Coastal Commission: Yes

Pursuant to Laguna Beach Municipal Code §25.07.013, the Community Development Director determined that the proposed project is “minor development” in that it satisfies the following requirements and qualifies for a waived public hearing.

- 1) Consistent with the certified Local Coastal Program.
- 2) Requires no discretionary approvals other than a coastal development permit.
- 3) Has no adverse effect either individually or cumulatively on coastal resources or public access to the shoreline or along the coast.

If you would like a public hearing on the proposed project, please submit a written request within 15 working days of this notice, or by January 25, 2022, to Daniel Latham, Planning Technician via email at dlatham@lagunabeachcity.net or submit in person to the Community Development Department located at 505 Forest Avenue, Laguna Beach, CA 92651. If a timely request for a public hearing is not filed with the City, the Coastal Development Permit is deemed approved. Please note that the failure to request a timely public hearing may result in the loss of the ability to appeal the City’s action to the Coastal Commission.
