

CITY OF LAGUNA BEACH INVESTMENT REPORT JUNE 2022

BACKGROUND

The City Council delegated the investment authority to the City Treasurer and directed her to prepare a monthly report for the investments in accordance with the Investment Policy and California Government Code 53646. Accordingly, the report (Attachment 1) is presented at a public meeting and is available to the public on the City of Laguna Beach website. The transaction history required by California law is provided in the Custodian Statement (Attachment 2).

DISCUSSION

As of June 30, 2022, the cash and investment portfolio decreased \$4.6 million to \$143.4 million dollars due to normal operating cash flows. The City Treasurer certified that the month end portfolio complied with the Investment Policy, that was adopted by the City Council, and California Government Code. She further certified that there was sufficient liquidity to meet the City's forecasted expenditures for the next six months.

Interest rates have dramatically increased during the year. Investments purchased at lower interest rates have a holding value that was less than par. Generally Accepted Accounting Principles require that investments must be marked-to-market rates in the Annual Comprehensive Annual Report. The accounting adjustment will not impact operations, budget or cash. The month end market value decreased resulting in a corresponding increase to the unrealized loss.

The Investment Policy encourages a Buy and Hold investment strategy which will not incur unrealized gains or losses. It has the following objectives.

Safety: The highest priority objective was achieved by investing in high quality securities. Credit risk was mitigated by limiting purchases to the safest types of investments including \$83.8 million (58%) in Federal Agency securities, \$20.6 million (14%) for liquidity in the California pooled investment fund, LAIF, \$17 million (12%) in investment quality medium-term corporate notes or commercial paper, \$8.3 million (6%) in federally insured Certificates of Deposit, \$8.8 million (6%) in Municipal Bonds rated A or better and supranational securities with a AAA rating.

Liquidity: City operations until the November property tax installment receipt will be subsidized by LAIF and maturing investments. Rising interest rates require a heightened emphasis on realistic cash flow forecasts.

Yield: The average yield increased 0.03%pts to 1.18% while the benchmark 2-year T-Bill increased 0.29%pts to 2.82%. The current yield has been less than the benchmark due to the rapid rise in interest rates and investments made during the low interest rate periods in prior years. As securities mature, they are reinvested at market rates.
