

CITY OF LAGUNA BEACH INVESTMENT REPORT

NOVEMBER 2022

BACKGROUND

The City Council delegated the investment authority to the City Treasurer and directed her to prepare a monthly report for the investments in accordance with the Investment Policy and California Government Code 53646. Accordingly, the report (Attachment 1) is presented at a public meeting and is available to the public on the City of Laguna Beach website. The transaction history required by California law is provided in the Custodian Statement (Attachment 2).

DISCUSSION

At November 30, 2022 Cash and Investments totaled \$144.2 million dollars. During November the portfolio increased \$11.6 million dollars due to the early receipt of loan proceeds that were used for a December property purchase (\$11.5 million), property tax receipts (\$8.0 million) and the balance of summer Transient Occupancy Tax collections which were partially offset by operating expenditures. The City Treasurer certified that the month end portfolio complied with the Investment Policy. She further certified that there was sufficient liquidity to meet the City's forecasted expenditures for the next six months.

Interest rates have dramatically increased during the year. Investments purchased at lower interest rates have a holding value that was less than par. The dramatic increase can be seen in the City's benchmark 2-year treasury bill that was 0.52% last year but this year is 4.38%. Generally Accepted Accounting Principles require that investments must be marked-to-market rates annually for the Annual Comprehensive Annual Report. The resulting accounting adjustment will not impact operations, budget or cash.

The Investment Policy encourages a Buy and Hold investment strategy. It has the following objectives, in order of priority.

Safety: The highest priority objective was achieved by investing in high quality securities that will return the invested principle plus interest when they mature. Credit risk was mitigated by limiting purchases to the safest types of investments including Federal Agency securities, the California pooled investment fund, LAIF, investment quality medium-term corporate notes or commercial paper, federally insured Certificates of Deposit, Municipal Bonds rated A or better and supranational securities with a AAA rating.

Liquidity: City operations until the November property tax installment receipt were subsidized by LAIF and maturing investments. The purchase of 31796 South Coast Highway in December and 30516 South Coast highway in January are scheduled to be financed by the December property tax receipts and the \$11.5 million dollar bank loan received this month.

Yield: The average yield from the custodial statements increased 0.08%pts to 1.38% while the benchmark 2-year T-Bill decreased 0.13%pts to 4.38%. The investments made earlier this year or in prior years have lower rates but were the market rate on the day of purchase. The purchase price will be received when the securities mature in addition to the stated interest.
