## **COMMERCIAL PHOTO/FILM PERMIT PROCEDURES AND POLICIES**

The requirements for photography and motion picture filming are established by Chapter 5.66 of the Municipal Code. The City also utilizes the Model Filming Permit Process of the California Film Commission.

- Film permit applications may be denied if deemed contrary to public convenience or welfare. This may include but is not limited to conflict with other activities, and/or public use; excessive potential for damage to public property; jeopardy to public safety; failure to apply on a timely basis. \_\_\_\_\_ Initial required
- Film permits are issued through the Recreation Division of Public Works and are reviewed by the Marine Safety, Police, Fire and/or Public Works departments, as deemed appropriate, to determine staff requirements, restrictions, and public safety requirements prior to application approval. \_\_\_\_\_ Initial required
- Postponement of permits prior to the scheduled date due to weather conditions may be approved at no additional cost. However, the permittee is responsible for all City personnel who show up for work unless the cancellation or postponement is requested by noon on the preceding business day. \_\_\_\_\_ Initial required
- Props, structures, vehicles, and film equipment may be permitted on parks or beaches (excluding vehicles on beaches) as part of the film permit at the City's discretion. \_\_\_\_\_ Initial required
- City personnel, equipment, uniforms, or logos may not be filmed for commercial purposes. Such personnel and equipment are provided for the safety and convenience of the public and not for use by the permittee. \_\_\_\_\_ Initial required
- RV Parking: Laguna Beach Municipal Code (LBMC) does not allow RV's/Motorhomes to be parked on City streets or City parking lots for longer than five (5) cumulative hours total in any day ("5-hour rule"). However, permits may be obtained for up to two (2) RV permits per RV per calendar year. The permits are free and can be obtained at the front lobby of the Police Department. Each permit is good for up to 72 hours. The RV permit does NOT exempt the driver from having to follow all other CVC and LBMC provisions that pertain to parking, including posted time limits and street sweeping restrictions. The RV permit only exempts the driver from the 5-hour rule. \_\_\_\_\_ Initial required
- Motorhomes parked in public right of way or in City lots will also require a permit from the Police Department. If parking in public right of way, refrain from using side pop-out feature on motorhome. \_\_\_\_\_ Initial required
- Filming on Coast Highway or Laguna Canyon Road requires a Cal Trans Encroachment Permit. Click on the following link for more information: <http://www.dot.ca.gov/trafficops/permits/encroachpermits.html>
- For filming in the open land/wilderness parks surrounding Laguna Beach: <http://ocparks.com/rnp/permits/filming>

Permittee/applicant hereby agrees to ensure compliance with the conditions of the permit and understands that failure to comply with these requirements may result in the immediate cancellation of a production.
