Subject: CD Fee Update and Staffing Plan

Hello Design Professionals,

At the Tuesday, April 12th meeting the City Council will be considering updated Community Development fees along with a proposed staffing plan that would add seven new positions to the department. The purpose of these positions is to improve service levels and reduce review times. You can find the staff report by clicking [here](#). I hope to see you at the meeting and please contact me if you have any questions or suggestions.

Sincerely,

Marc Wiener, AICP
Community Development Director
