Laguna Beach, CA 92651

Dear Mr. Novak,

Attached are the documents for the View Preservation/Record of Views claim filed with the City. The documents have been included in your property file at City Hall and are posted on the city's website. Should any of the noticed affected property owners like to view the documented Record of Views they may be found on the city's website at www.lagunabeachcity.net on the View Preservation and Restoration web page.

As we discussed, the Record of Views does not establish maximum height limits on vegetation in the visual scene but rather serves as a benchmark for determining significant view impairment in the future. A determination of significant view impairment pursuant to Laguna Beach Municipal Code Section 12.16.030, must be confirmed prior to the city interceding with enforcement of the Record of Views.

Please contact me should you have any questions related to the attached documents.

Regards,

RECORD OF VIEWS
(PER LBMC 12.16.040 "VIEW PRESERVATION")

FEB 08 2018

Establishment of a Protected or Preserved View. A property owner may establish a protected or preserved view from a property owner's selected viewing locations (defined in Section 12.16.020) by filing for a record of views with the City. Once a record of views is established by the City pursuant to LBMC 12.16.040(B), the protected or preserved views shall not become subject to significant view impairment. Established record of views may not be changed unilaterally by the property owner; provided, however, that upon application by the property owner to do so, the City may change an established record of views in the event there is a subsequent remodel or physical change to the selected viewing locations or areas. The record of views does not establish maximum height limits on vegetation in the visual scene; rather it shall serve as a benchmark for determining significant view impairment in the future. Please refer to the View Preservation flow chart for a further description of the View Preservation process. Also refer to Laguna Beach Municipal Code Chapter 12.16 for a full description and definitions of the View Preservation and Restoration process.

FEE: \$690
