## City of Laguna Beach

 Investment Report
## February 2015

Honorable Mayor and Members of the City Council,
The requested monthly Investment Report follows. The investment portfolio is in conformity with California laws but not in conformity with the Investment Policy which is approved annually by the City Council. A March 2015 third party review of the holdings revealed that there were two Certificates of Deposit (CDs) with different names but the same FDIC number. The CD that was purchased with the identical FDIC number was not fully insured.

The second CD was sold at par in March 2015 with an April 2, 2015 settlement. The accrued interest was received and the investment was replaced with a higher yielding CD that was FDIC insured. The sale brought the portfolio into conformity with the Investment Policy.

The Treasurer's cash management program provides sufficient liquidity to meet expenditure requirements for the next six months.
Respectfully submitted,

Laura Parisi, CPA, CCMT, CFIP
City Treasurer
